

Domain Type: morphosyntactic phonological indeterminate

suprasegmental tone sandhi maximal no prosodic restrictions
recursion based maximal coordination
recursion based nominalization maximal
recursion based nominalization minimal
suprasegmental accent maximal
nonpermutability rigid
recursion based reduplication total reduplication
recursion based asyndetic verbal parallelism
deviations allomorphy minimal
suprasegmental tone sandhi minimal sandhi blocking
ciscategorical selection minimal
segmental syllabification positive evidence
